

Storm Season Ahead

It is that time of year again and Goldfield Telecom would like to remind you to check your batteries in Central Office, Cabinets, and FTTH UPS's.

In concurrence with this reminder, Goldfield Telecom is running a special on replacement batteries. Goldfield Telecom offers many different types and manufactures.

Manufacturer	Type
Northstar Battery	Central Office Replacement Batteries
Haze Battery	FTTH UPS Replacement Batteries
Energys Batteries	Cabinet Replacement Batteries
B&B	Server & Computer UPS Replacement Batteries

If you have any questions or need pricing please call or email Eric Falck with Goldfield Telecom.
